Ethics To Help Others Succeed

Helping people make changes for the better!

Study with AMERICAN teachers!

You don't have to go to the USA to study with American teachers! We have them just a short plane ride away from where you are now! They can study with you Monday through Friday for as many weeks as you want!

Our 4-hour-per-day program covers American Pronunciation, Conversation, Reading and Grammar. Our 5-hour program adds a Writing class.

If you want to improve your listening and speaking skills, choose the 4-hour option. If you need to prepare for an exam, or want to enhance your career, we recommend the 5-hour option.

Want MAN-TO-MAN or GROUP classes?

We offer GROUP classes, with a maximum of six students per class. We also offer MAN-TO-MAN classes. MAN-TO-MAN price is more expensive than GROUP classes.

(MAN-TO-MAN class spaces are limited and are reserved on a first come, first served basis.)

We provide daily teacher assessment and feedback through email for each student.

Our American teachers evaluate students' daily performance and provide recommendations of what students might do to improve. **Each student is sent a daily email containing all teacher comments for the day.**

Study English

We offer a variety of housing options.

We offer **HOME STAY**, where students stay in the homes of our American teachers!

Students can also stay in one of our fully-furnished **DORMITORY** apartments that include a complete kitchen for cooking.

Both housing choices offer **SHARED** or **PRIVATE** room options.

All ETHOS school and housing facilities have free Wi-Fi.

Of course, students may choose to stay outside of ETHOS. In that case all they pay for is the tuition for their study package.

(PRIVATE rooms are more expensive and are reserved on a first come, first served basis.)
